

Regency Assurance is proud to partner with the Nevis Football Association and support their Grassroots Football program. The program has run very successfully for many years and is a key pillar for the NFA and the Department of Sports' drive on the future development of the sport and the participants on the Island.

REGENCY
Nevis Grassroots

GRASSROOTS

- Football for boys and girls 6-12 years of age with a focus on fun participation
- A platform to instill core values such as teamwork, respect, and perseverance
- Mentoring young people to make good decisions and feel acknowledged
- Supporting physical development through fitness
- Extended academic support

COMMUNITY GOALS

- ✓ Create and embrace unity where each child feels a sense of togetherness with their neighbour, creating lifelong partnerships and bonds
- ✓ Strong partnerships with coaches, administrators, parents, and others for the benefit of the young people
- ✓ Close partnerships with schools, where teachers, parents and children are fully aware that all are invited

GLOBAL GOALS

The Grassroots program directly contributes towards the following United Nations Agenda 2030 Sustainable Development Goals in Regency's CSR Pledge.

NEVIS FOOTBALL ASSOCIATION

The NFA is responsible for football development on the island of Nevis. They are a member of St. Kitts and Nevis Football Association who are the governing body of football in the Federation. They control the national football team and are FIFA affiliated.

The grassroots program, first introduced in Nevis in 2012 by the SKNFA and the Department of Sports, is one of their responsibilities.
