Health Mentorship Program

REGENCY assurance

CSR **PROGRAM**

For a second year running, Regency Assurance has sponsored the expansion of the highly successful Youth Impact 12 Awards program, established by the Department of Youth in Nevis. Young people who have been awarded in recognition of their outstanding achievements will deliver programs that will assist with the bolstering of youth development in Nevis.

Department of Youth

THE PROGRAM AIMS TO...

- Empower young people aged 15-25 aspiring to healthcare careers.

- Offer hands-on training in vital health skills like blood pressure and glucose checks.

- Provide exposure to diverse healthcare professions through tours and mentorship.

- Equip participants with guidance, references, and real-world experience to support college or job applications in the health sector.

COMMUNITY GOALS

- ✓ Inspire young people to pursue diverse careers in the health care profession

- ✓ Strengthen community health through education and screenings

- ✓ Contribute to a strong healthcare workforce for the future

GLOBAL GOALS

The Health Mentorship Program directly contributes towards the following United Nations Agenda 2030 Sustainable Development Goals.

3 GOOD HEALTH AND WELL-BEING

4 QUALITY EDUCATION

10 REDUCED INEQUALITIES

PROGRAM CREATOR...

Dr. Tivon Browne, a dedicated general practitioner at Nevis' Alexandra Hospital, holds a Bachelor of Science in Biology and a Doctor of Medicine with honors from St. George's University. Recognised with the Youth Impact 12 Award for Health and Wellbeing, he actively engages in community health initiatives. His passion for youth empowerment and the healthcare profession has driven the design of this program.
