The rights of the policyholder, beneficiary, or any insured member will not be affected by any provision other than the one described above. Your policy documentation may be issued in soft copy only, which does not in any manner affect the validity or enforceability of any term, condition, definition, exclusion or warranty therein.

Language

This policy is written in English. This policy may only be completed and interpreted in English and all other information and communications relating to this policy will also be in English.

Tax

We reserve the right to reflect any changes in insurance premium tax or other government levies as may be imposed upon us.

Eligibility for Cover

New applicants will be eligible for cover up until the age of 80.

Termination of Cover

Cover may end if:

- i) You exhaust the maximum annual aggregate benefit under the plan;
- ii) You fail to reimburse us within 14 days of receipt of notice that we have made payment for an ineligible claim;

iii) You fail to pay any due premiums on or prior to the time they are due. Outstanding premiums are considered a material breach of the policy; or

iv) You breach any part of the policy.

Cover

We will pay the insurance benefits (specific benefits will not exceed the corresponding payment limit and the total amount of benefits will not exceed the mutually agreed maximum insured amount of the policy). For any claim to be considered for adjudication, all costs incurred must be medically necessary and subject to reasonable and customary charges.

The insurance contract will provide cover for medical services incurred during the current period of cover and within the relevant geographical area of cover.

Neither the availability or issuance of cover, nor claim eligibility, prevents or precludes the undertaking of medical services, including the provision of critical care, and we are not liable for any consequences of you not receiving such medical services.

Period of Cover

Your plan is in force for the period of cover noted in your certificate of insurance subject to our rights of termination of cover. Cover does not begin until payment has been received and verified by us. In the event a future agreement is reached between the policyholder and us, you will be bound by the terms and conditions of any new agreement agreed between the parties. You bear the responsibility to enter into any new agreement with us. We accept no liability for the failure of a policyholder to enter into a new agreement.

Contribution

If you or any dependant named on your policy are entitled or eligible to claim from any other insurance policy, third party or scheme for any of the costs, charges or fees for which you are insured under this contract, you must disclose the same to us immediately and use all endeavours to seek recovery from any other such means of redress.

We will make no contribution to any treatment costs, claim or other losses if any such detriment is fully or partly recovered or recoverable by any other such means of redress referred to within this section.

In respect of any excess beyond the amount which would have been covered under such other means, if our plan covers a higher amount, we shall pay the amount not covered by them subject to the terms, conditions, definitions, exclusions and warranties of this policy.

We are under no obligation to pay or adjudicate any claim under this policy unless and until the eligibility and applicability of any other insurance, claim or means of redress referred to within this section has been established and confirmed.

You must first exhaust all other available sources of recovery before claiming under this policy. We shall only be liable for eligible costs that exceed the amount recoverable from all other sources.

Change of Risk

The policyholder or insured person must inform us as soon as reasonably possible of any material changes that affects information given in connection with the application for cover under

this policy. We reserve the right to alter the policy terms or cancel cover for an insured person following a change of risk.

Declaration of Material Facts

All material facts that may affect our assessment and consideration of an application or claim should be declared at the earliest opportunity by the policyholder. A fact, whether disclosed by you or identified by us, is considered material if it would influence the assessment of risk attributable to the policy, or liability to the Insurer. Such examples include but are not limited to pre-existing health conditions, medical records, hazardous activities or being exposed to heightened risks over and above routine day-to-day dangers.

Failure to accurately and promptly provide fair and reasonable representation of facts may invalidate your cover, or lead to the cancellation of your policy and/or rejection of claims. If you are in doubt whether a fact is material then it should be disclosed.

Break in Cover

In the event of any break in cover, including any missed premium payment, your date of entry will be reset and policy exclusions reapplied.

Claim Adjudication

All claims must be submitted in full as soon as is reasonably practical and no later than 2 months after the event which causes the claim. Failure to do so may result in our rejection of the claim or may result in you not receiving the full amount claimed for.

If we think that the evidence of the claim submission and the information provided is incomplete, then you will be informed promptly of the required supplementary information.

The onus of proving the eligibility of any claim under this policy rests with you. No claim shall be eligible unless and

POLICY WORDING CONDITIONS

until sufficient evidence is disclosed to facilitate the comprehensive adjudication of the claim and to establish eligibility. The absence of specific evidence or information to establish the ineligibility of a claim shall not automatically render a claim eligible.

Where any underlying cause and/or diagnosis is unknown or has not been established, we reserve the right to delay or pause the adjudication of a claim until such time as the cause and/or diagnosis is known and ratified by us.

It remains your responsibility to pursue, arrange, and obtain any medical service(s) you may require, in consultation with the relevant clinician(s). We are not liable or responsible for consequences of delay, inability, or failure to obtain such medical service(s) and/or decisions relating to admission including but not limited to Provider admission protocols, or the issue or acceptance of Direct Settlement.

We will not pay any interest on any amount payable under this policy.

Where members incur costs that are not eligible under the terms of the policy, the member remains liable for the costs of such treatment which must be settled in full upon request.

Failure to act accordingly will result in the suspension or cancellation of your cover, without refund of premium.

If any representation, claim, or disclosure made under this policy is in any respect fraudulent, unfounded, or not made in good faith, all benefits paid and/or payable in relation to any claim shall be forfeited and recoverable. In addition, all cover in respect of the insured person(s) may be cancelled void from the date of entry. We reserve the right to disclose information

to any third party, including any legal, regulatory, or other relevant authority.

You must provide all the information needed to deal with any claim as determined by us.

Where the policy includes a co-insurance endorsement, or requires the insured member to pay for medical expenses, treatment, diagnostic or other procedures prior to submitting your claim, you must provide proof of full payment before we are obliged to reimburse any eligible costs. Failure to provide any information required shall result in the rejection of the claim. Regency will not cover any claim which is determined to be ineligible in accordance with the terms, conditions, definitions, exclusions and warranties of this policy.

Dispute Resolution

In the event of any dispute over a claim or costs, you agree to follow the Regency for Expats dispute resolution process.

If that doesn't resolve the dispute, then both Regency for Expats and you agree that any dispute arising under or in relation to this contract of insurance, final resolution shall be conducted through online arbitration administered by an arbitration provider as determined by Regency for Expats. The arbitration award shall be a New York Convention award. No arbitration proceedings will be valid unless and until the Regency for Expats dispute resolution process has been followed and concluded.

Applicable Law

The law applicable to this policy shall be construed exclusively according to the laws of Nevis.

Right to Recover

This policy constitutes an agreement between Regency for Expats and you to provide insurance coverage for a 12-month period. Regency for Expats agrees to

provide insurance coverage in accordance with the terms, conditions, definitions, and exclusions outlined within this brochure and the certificate of insurance. You agree to make all premium payments in full and in accordance with the frequency outlined within the certificate of insurance. In the event of any non-payment of the insurance premium, Regency for Expats reserves the right to seek recovery of any premium owed during any current or previous period of coverage.

It is your responsibility to ensure any premium payments are received by Regency for Expats on or before their due date. We are under no obligation to provide warnings of any missed payments, and in the event of such non-payment of premium shall be entitled to lapse the policy without further recourse to you.

In the event a member's policy is cancelled or lapses due to non-payment of premium and the member subsequently commences a new policy with Regency for Expats, any outstanding premium payment from a previous policy shall be considered an outstanding debt owed to us. As creditor, we reserve the right to withhold or apportion payment of any future claims made under the member's existing policy until any such debt is settled.

Payment of Claims on Periodic Policies

In the event you pay the insurance premium on a periodic basis and make a claim under the terms and conditions of this policy, any and all remaining premium payments for the 12-month policy duration will constitute a debt owed to Regency for Expats which will be recoverable in the event of non-payment of any instalment. Regency may, at our discretion, elect to offset any outstanding premium against eligible claim payments.

Subrogation

The policy shall be subrogated to all rights of recovery that insured persons have against any other party with respect to

any payment made by that party to insured persons due to any injury, illness or medical condition insured persons sustain to the full extent of the benefits provided or to be provided by the policy. If insured persons receive any payment from any other party or from any other insurance cover as a result of an injury, illness or medical condition, we have the right to recover from, and be reimbursed by them, for all amounts we have paid and will pay as a result of that injury, illness or medical condition, from such payment, up to and including the full amount received.

We shall be entitled to full reimbursement from any other party's payments, even if such payment will result in a recovery that is insufficient to fully compensate the insured person in part or in whole for the damages sustained.

Insured persons are required to fully cooperate with us in our efforts to recover any payments made including any legal proceedings that we may conduct and proceed with on their behalf at our sole discretion. Insured persons are required to notify us within 30 days of the date when any notice is given to any party, including an insurance company or lawyer, of the insured person's intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or medical condition sustained by the insured person.

You (or anyone acting on your behalf) must not, whether before or after any injury, illness, or medical condition, without our prior written consent, waive, settle, compromise, or otherwise prejudice any liability or right of recovery against any third party.

Other than with our written consent, insured persons have no entitlement to admit liability for any eventuality or give promise of any undertaking that is binding upon them. In the event that any claim or dispute is made in respect of this subrogation or

POLICY WORDING CONDITIONS

any part thereof, including, but not limited to, any right of recovery provision which is ambiguous or questions arise concerning the meaning or intent of any of its terms, we shall for the avoidance of doubt have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

Any breach of this obligation may result in the reduction, or refusal of benefits under this Policy.

Membership Applications

We reserve the right to ask you to provide proof of age and/or a declaration of health of any person included in your application. We reserve the right to apply additional options, exclusions or premium increases to reflect any circumstances the insured person advises in their application form or declares to us as a material fact.

Any decision by Regency not to request any such further information at the time of application does not constitute acceptance by us of any underlying condition, symptoms or circumstance, and does not alter the basis upon which cover is duly agreed in accordance with this policy.

You must tell us if you know about anything which may affect our decision to accept your insurance.

Medical Evaluation and Investigation

We reserve the right to request further tests and/or evaluation.

You must give us all the information needed to deal with any claim as determined by us and you will be responsible for the costs involved in doing so.

All information needed to deal with any claim must be written in English. You will be responsible for any costs involved in translating any documents.

You must give us permission to obtain any reports, records, or other documentation relevant to the claim as determined by us.

You must attend and engage in any examinations, investigations, interviews, or appointments as determined necessary by us. Any failure to attend or engage in such appointments, failure to provide, or delays in the provision of any requested information, shall render a claim ineligible.

In the event of death we may require a post-mortem examination to adjudicate the claim and we must be notified of the death prior to cremation burial or other forms of disposition.

If a post-mortem examination is required, but is not carried out, the claim will be ineligible.

Waiver

Any deviation from the specific terms, conditions, exclusions and warranties of the policy by us at any time shall not constitute a waiver of our right to implement, rely or insist upon compliance with such provisions at any other time. This includes but is not limited to the payment of premiums or benefits. This shall apply irrespective of the context of any such waiver of any right under the policy, including repeat circumstances.

Mental Capacity

If the policyholder is unable to make decisions due to mental incapacity, a legal representative, such as a power of attorney, may act on their behalf. Appropriate documentation proving the representative's authority must be submitted to us. In the event of diminished mental capacity, the policyholder may designate a power of attorney or other authorised representative to manage their policy. All relevant documentation must be provided to verify the representative's authority. Regency bears no responsibility for any decision

related to any nominated beneficiary or assignee under this policy including but not limited to any decision to nominate additional beneficiaries or otherwise remove, amend or alter the beneficiaries of this policy. For the avoidance of doubt Regency bears no responsibility to establish mental capacity at the time any changes are made and is not responsible for determining whether any such changes are suitable.

Notice After the Event

If, after the inception of your policy, Regency discovers, or is made aware of any misrepresentation, fraud, misconduct, any violation of the terms and conditions of the policy by you or on your behalf (including providing false, inaccurate, or misleading information), or if the policy is found to be used for illegal activities or purposes that violate legal or ethical standards, Regency reserves the right to cancel your policy immediately.

Our Right of Cancellation

In the event of any non-payment of premium by the policyholder, we shall be entitled to cancel the policy and any related cover/plan. We may, at our discretion, reinstate cover if the full premium is subsequently paid, though terms of cover may be subject to variation. We may at any time terminate a member's cover if he/she or the policyholder has at any time:

- i) Misled us by misstatement;
- ii) Claimed benefits for any purpose other than as are provided for under this policy;
- iii) Agreed to any attempt by a third party to obtain an unreasonable pecuniary advantage to our detriment; or
- iv) Otherwise failed to observe the terms and conditions of this policy or failed to act with good faith.

Liability

Our liability shall cease immediately, and such cessation shall apply retroactively upon the non-payment of any premium, or cessation of the policy for whatever reason, including without limitation the natural expiry of the policy or termination of the policy.

Minimising Loss

You must take all reasonable steps to avoid or reduce any loss which may mean you have to make a claim under this insurance.

Undue Influence

We reserve the right to cancel the policy, reject or invalidate any claim submitted thereunder, or impose any other sanction deemed necessary in the event that the policyholder, insured persons or any of their representatives, use threatening, coercive, abusive, harassing or intimidating or damaging action, behaviour or communications as determined by us. We reserve the right to recover any unpaid premium in the event of cancellation owing to any of the above actions, or recover any costs or losses incurred. This provision shall survive the termination of the policy.

Alterations or Adjustments

We reserve the right to alter or discontinue the benefits, terms, conditions, definitions, exclusions, warranties, or premiums of your policy at each renewal date. It is your responsibility to ensure that you have read and fully understand the terms, conditions, definitions, and exclusions of your policy. Your decision to renew your policy shall constitute your acceptance that you have received, reviewed, understand, and agree to all terms, conditions, exclusions, and warranties contained within your policy for each period of cover and accept to be bound by the same.

Parties to the Contract

The only parties to this contract are the policyholder and us. The policyholder accepts the full terms, conditions, definitions and exclusions of the policy on behalf of all insured members.

It is the sole responsibility of the policyholder to ensure that all insured members covered under this health insurance policy are explicitly informed and made aware of the terms, conditions, definitions, and

exclusions stipulated in this policy, and the policyholder agrees to ensure that such insured members act in accordance with such terms and conditions at all times.

By becoming an insured member of this policy, you hereby agree to be bound by the terms, conditions, definitions, exclusions and warranties of the policy.

In the event of any failure by the policyholder to provide insured members with such information, or in the event of any policyholder failure to promptly notify insured members of any changes or updates to the policy terms, conditions, definitions, or exclusions, or in the event of any breach of this policy by the policyholder, the policyholder shall be solely liable for any resulting consequences.

In the event of any failure by the policyholder to fulfil their responsibilities as outlined in this clause, any insured members hereby acknowledge and agree that their recourse for any losses, damages, or denied claims shall be against the policyholder and not the insurer. The insurer shall bear no liability or responsibility for any failure by the policyholder to inform or comply with the terms and conditions of this policy.

Where the Policyholder is under the age of 18 years old, the parent, legal guardian, or other adult who applied for the Policy on the minor's behalf and is identified in the Insurer's records as the responsible adult shall be treated as the Policyholder for all purposes of this Policy and shall be deemed to have accepted these Terms and Conditions on behalf of the minor.

If there is any conflict between these Terms and Conditions and any other document or statements made by an introducer, affiliate, or third party, these Terms and Conditions shall prevail and Regency shall not be bound by any such statement.

This clause shall be binding upon the policyholder and all insured members.
