Thailand Child Care Foundation

CSR PROGRAM

Regency Assurance is a proud supporter of the Foundation for Slum Child Care (FSCC). They work to improve the quality of life for young children who lack opportunity. The Foundation runs four day care centres in disadvantaged neighbourhoods of Bangkok.

For more than 40 years, the Foundation for Slum Child Care has been under the patronage of Her Royal Highness Princess Galyani Vadhana Krom Luang Naradhiwas Rajanagarindra.

FSCC'S WORK

CHILDREN

They provide direct support to over 200 children up to five years of age, through the provision of nourishing meals and a well-designed program of educational activities.

FAMILIES

The Foundation works with families every day, imparting skills for the best care. Through their Pregnant Women's program, they support expecting mothers and fathers to prepare for parenthood and offer volunteer support.

COMMUNITY GOALS

- ✓ Creating 'social togetherness' within the communities
- ✓ Reaching the community with bespoke volunteer roles
- ✓ Achieving high standards of care and education by delivering certified training across Thailand through the Good Teacher Network project

GLOBAL GOALS

FSCC's work directly contributes towards the following United Nations Agenda 2030 Sustainable Development Goals.

Founder

Kru Prateep Ungsongtham has first-hand experience of being raised in the Klong Toey slum in Bangkok. As a student, she realised that many other children were not going to school to stay home to look after younger siblings. In 1981, she received the John D. Rockefeller Youth Award for Outstanding Contribution to Mankind and established FSCC using the award money.
