My daughter has been having health complications since she was little, and it breaks our hearts seeing her going through all the medical procedures at such a young age. We are thankful for Regency's support in processing all the claims. Their team knows their work and has empathy for our situation. ”

I felt confident with Regency since the moment I received my first quotation. Everything was clear and detailed and they responded very quickly to my queries.

They provided me with different options for my wife and kids as well. Excellent value for money, with many inclusions I wasn't able to find elsewhere and very good service!

**Robin Norris** ★★★★★

Helpful is an understatement. The person who was dealing with my claim went out of her way to ensure that all the correct documents that I needed were collected so that I could reclaim my money.

The reason I wanted to leave this review is because they could have easily just said no like most insurance companies but Regency really made sure that everything was ok for me.

Simply brilliant!

Not only do they check in from time to time to make sure that I am happy with everything but they provide personal trainers, nutritionists, counsellors and more. Did not expect this from an insurance company and I am amazed. I've only made one claim with them so far and it was so simple and fast

**Jose Perez** ★★★★★

This is an excellent company for health insurance. The insurance cover is very comprehensive and it is supported with a great service. My hospital claim was submitted to regency on the 2nd of December, they were contacting the doctor that same day and paying the costs directly. I was having my operation on the 3rd and discharged on the 4th. The hospital was very good and so were the regency claims doctors.

Have been covered through Regency health insurance here in Hong Kong for over 5 years and they have always been extremely attentive to mine and my family's needs. The price has been very good value each year and you don't get any surprises at renewal time. The claims service is helpful and never tries to get out of paying claims. I am very pleased with Regency and will continue to use them whilst I live in Hong Kong.

I am lucky enough to have Regency health insurance cover for myself and my wife through my work. It is the best of all the employee benefits they provide. Both of us have had cause to use the cover and there has never been any dispute or problem. The customer service agents are all extremely friendly and reassuring and make sure that you understand the process and everything you need to know. I would recommend Regency without a moment's hesitation, they are outstanding in my view.

Excellent care and treatment. Well organised and follow up care second to none. The Regency doctors are available whenever I need them and they deal directly with the hospital so no much admin for me to do. They also organise all of the payments with the hospital too. I don't have to pay out of my own pocket.
