

For a second year running, Regency Assurance has sponsored the expansion of the highly successful Youth Impact 12 Awards program, established by the Department of Youth in Nevis. Young people who have been awarded in recognition of their outstanding achievements will deliver programs that will assist with the bolstering of youth development in Nevis.

Department of Youth

## THE PROGRAM AIMS TO...

...support the establishment of Organico869 in its startup phase at the farm in Gingerland, establishing two key structures, water installation and fencing.

Organico869's vision is to promote sustainable agriculture, improve food quality & safety, and protect the environment.

Caring about both the environment and the health of the community; the farm is now producing a variety of crops and vermicomposting will be the next phase of development.

## COMMUNITY GOALS

- ✓ Increase participation of women and young people in agriculture
- ✓ Conserve agricultural ecosystems for future generations
- ✓ Sustainably increase organic crop production on the island

## GLOBAL GOALS

Organico869 directly contributes towards the following United Nations Agenda 2030 Sustainable Development Goals.

## PROGRAM CREATOR...

Hydeia Tyson, a passionate advocate for sustainable agriculture, holds a bachelor's degree in Agronomic Engineering from EARTH University, Costa Rica. With a background in science and a deep-rooted connection to farming, she now serves as a Senior Agricultural Officer in Nevis. Recognized for her contributions, Hydeia champions youth and women in agriculture, promoting sustainable practices island-wide.
